COPAS-COLORADO NEWS

♦ September 2018 ♦ Volume 2018 – 2019 No. 1 ♦

Welcome back COPAS-Colorado Members!

I hope everyone was able to enjoy the summer and are looking forward to kicking off our 2018/2019 season! If you have not already done so, please visit www.copascolorado.org to renew your membership and please be sure to get your dues paid. Our first luncheon is scheduled for Tuesday, September 25th at the Embassy Suites. Registration is open, so please be sure to register for this event on the website. As part of this meeting, we are excited to welcome some of our past COPAS-Colorado Presidents to sit on a panel and share their experience and benefits from being a COPAS-Colorado member.

We recently held our Committee Co-Chair kickoff meeting to welcome new and returning committee chairpersons. These dedicated individuals will be working on organizing meetings and planning for potential speakers and topics so please be on the lookout for communications from them related to upcoming meeting information. I would like you to join me in thanking last year's president, Meghan Hendershot, as her hard work and dedication led us all through another successful year! Meghan will continue on the Board this next year as our secretary. I would like to thank the rest of our returning Board members, Kelly Blaha, Andrea Brady, Leanna Howell, Lauren Davis, and Kevin Gile. I would also like to welcome our new Board members this year, Don Clark and Brian Gates.

COPAS-Colorado is a not for profit organization run entirely by oil and gas professionals volunteering their time. I encourage you to continue to take advantage of all the benefits COPAS-Colorado has to offer, including monthly luncheons, which generally feature an informative speaker on current issues within the oil and gas industry, technical sessions, committee meetings, education day, and access to the National website's education and publications materials. The opportunities to volunteer, network with other industry professionals, and earn CPE are also great benefits our members receive. We appreciate our member companies continuing to register members, sponsor meetings, and provide support.

The fall 2018 COPAS National Meeting is approaching September 17th – 21st in Corpus Christi so please be sure to sign up if you are interested in attending through the COPAS National website (<http://www.copas.org/index.php/events/fall-2018-meeting>).

I would also like to recognize two of our members who received their full APA certification. Congratulations to Erin Stough and Janae Todd!

We are always open to recommendations and feedback from our members. If you have any suggestions or would like to find out additional ways in which you can volunteer, don't hesitate to contact me at akewley@eksh.com.

I look forward to this new year and serving as COPAS-Colorado President.

Andrea Kewley
2018-2019 COPAS-Colorado President

Membership Registration

Welcome to the new COPAS-Colorado 2018-2019 fiscal year! We have many exciting speakers scheduled for our upcoming luncheons. In order to attend the monthly luncheons and technical sessions, you will need to register on the COPAS-Colorado website.

It is important that you re-register at <http://copascolorado.org/Account/Create> for each fiscal year of participation with the organization. **NOTE: Unlike in previous years, you DO NOT need to recreate your user profile this year if you were registered last year.** Simply log-in using the same username (email)/password as last year and then register for the new term.

IMPORTANT NOTES:

1. **Registration must be completed using the following link:** <https://copascolorado.org/Account/Login>
 - Log into your account with the username (email) and password you set up last year.

This will ensure your information is maintained on our registration/roster for future communications and membership participation requirements throughout the year.
3. **You will be sent a COPAS membership confirmation via email upon registration that will serve as your invoice immediately following your submission of information.**
 - This will be your official invoice to facilitate payment of membership dues. It will also enable luncheon registration confirmations when the time comes.
 - **Be sure your IT department allows receipt of e-mails from** info@copascolorado.org **and** noreply@copascolorado.org
 - If you do not receive the confirmation, and you registered or would like to register, please notify Kevin Gile immediately at kgile@acmllp.com.

COPAS-Colorado Websites Tips and Tricks

How do I create a COPAS-Colorado account?

1. Navigate to <https://copascolorado.org/Account/Create>
2. Enter your Email and Password
3. When prompted, enter additional information (e.g. name, address, company, etc.)

I created my account, why can't I register for a luncheon?

Once you have registered for the website, you should not need to perform those steps again. However, you DO need to reactivate your account every year. In order to do this,

1. Log onto the website
2. Select Member Term Registration from the Account toolbox on the right side of your screen
3. Select the current term from the dropdown menu
4. Complete the Membership Registration form, including your membership type and committees you are interested in attending
5. Upon successful registration through our website, you will receive an automatically-generated email confirming your registration. This email will come from noreply@copascolorado.org. An example of the email confirmation content is shown below.

How do I register for a luncheon?

1. Log onto the website
2. Select Member Event Registration from the Account toolbox on the right side of your screen
3. On the Event Registration screen, you will see a drop-down menu in which you will select the 2018-2019 COPAS membership term.
4. Another drop-down menu will appear to select the event you are registering for.
 - a. This will then allow you to register for the luncheon. A few reminders when registering:
 - b. Be sure to check the box to indicate you will be attending the luncheon
 - c. If you are bringing a guest with you who is not a COPAS member, please indicate how many guests you are bringing, as well as their name(s).
5. In the last box, please indicate any dietary limitations for you and/or your guest(s).
6. Click on 'Register for Event' at the bottom of the screen to complete your registration

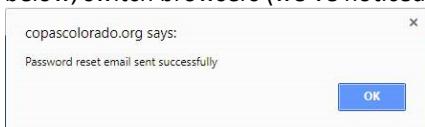

What if I can't attend the luncheon after I registered?

You now have the ability to cancel your luncheon registration up until the time registration closes. **Please ensure your cancellation request is completed prior to the registration close date for each monthly luncheon.**

1. Log onto the website
2. Select Member Event Registration from the Account toolbox on the right side of your screen
3. Select the current term and event
4. A drop-down menu will appear to select the event you wish to cancel.
5. Click on the button in the middle of the page that says 'Cancel Registration'

What if I can't log into the site after I've already set up an account?

1. Navigate to <https://copascolorado.org/>
2. In the upper right-hand area of the screen, click Member Login
3. Enter your Email and Password
4. If that does not work, click Forgot Password
5. Enter your email and click Send Recovery Email – You should receive a popup. If you don't receive a popup like the one below, switch browsers (we've noticed this issue primarily on internet explorer)

6. Once you receive your recovery password, copy the password (making sure you don't have any trailing spaces). Click the Recovery Link in the email.
7. Paste your recovery key (making sure you don't have any trailing spaces...you can always delete the last real character and retype it)
8. Enter a new password and hit Reset Password
9. You should be redirected to your account (logged in)

What if I STILL can't access my account?

You may need to reset your cookies. Instructions on how to accomplish this can be found at these sites:

- <https://kb.wisc.edu/helpdesk/page.php?id=12314>
- <https://support.google.com/accounts/answer/32050?co=GENIE.Platform%3DDesktop&hl=en>

If, after following each of these steps you are still having issues, please send an email with detailed description of the remaining issue to info@copascolorado.org.

What if I don't receive emails from the COPAS-Colorado website (e.g., password reset emails or confirmation emails)?

1. Ensure your IT department allows emails from noreply@copascolorado.org and info@copascolorado.org. Don't assume that just because you don't see an email in your SPAM or Junk email folders that it's not being blocked. Many IT departments can filter out emails before they even get to you SPAM. You will want to reach out to your service desk to have them verify the emails above are allowed.
2. If you don't receive an email with a payment link, please send an email to Kevin Gile (kgile@acmllp.com). He can send you a new payment email.

COPAS NATIONAL: PROJECT TEAM UPDATES

The COPAS National website publishes a quarterly Project Status Report. This tool will help you track the status of various projects in the development pipeline. Currently, the initial draft of the MFI relating to Remote Technology Centers, as well as prior presentations and feedback to date, has been posted for review and comment. You must be logged in to your COPAS National user account to access this document. Comments can be made by companies, individuals, or society committees. Comments are due by November 9, and should be addressed to Deb Retzloff, dbn.retzloff@gmail.com, project team lead. This will be a Model Form Interpretation when approved and a number will be assigned at that time. Until then, this publication is still in draft form and not official until the approval date.

Work continues on the 20XX Model Form Accounting Procedure and Model Form Interpretation. The projection is for a first draft of the Model Form Accounting Procedure by Q4. Stay tuned and monitor the Project Status Report for any updates.

For a chance to win a gift card at the September luncheon, remember the code **RTC (Remote Technology Centers)**.

Please note: The Tax, Financial Reporting, and New Professionals committees strive to offer one hour of CPE at each of their meetings. For more information, contact the committee chairperson for details.
