COPAS-COLORADO NEWS

♦ September 2019 ♦ Volume 2019 – 2020 No. 1 ♦

Welcome back, COPAS-Colorado members!

I am excited to kick off the 2019-2020 COPAS season! Membership registration is now open. If you have not already done so, please visit www.copascalorado.org to renew your membership for the 2019-2020 term. Please be sure to pay your dues timely upon registering. If your company is paying for your membership on your behalf and an invoice is required, please contact our Treasurer, Brian Gates, at Brian.Gates@encana.com to obtain an invoice.

Our first luncheon is coming up soon! It will be held on Wednesday, September 25 at 12pm at the Embassy Suites. Registration for the September luncheon is now open, so please take a moment to login to the website and register to attend our first luncheon of the season.

We recently held our Annual Co-Chair kickoff meeting to welcome new and returning committee chairpersons. If you signed up to participate in a committee this year, please be on the lookout for communications in the next couple of weeks. Monthly meetings should be kicking off soon. Refer to the last few pages of this newsletter for the latest committee updates.

COPAS-Colorado is a not for profit organization run entirely by oil and gas professionals volunteering their time. I encourage you to continue to take advantage of all the benefits COPAS-Colorado has to offer, including monthly luncheons, which generally feature an informative speaker on current issues within the oil and gas industry, technical sessions, committee meetings, education day, and access to the National COPAS website's education and publications materials. The opportunities to volunteer, network with other industry professionals, and earn CPE are also great benefits our members receive. We appreciate our member companies continuing to register members, sponsor meetings, and provide support.

Finally, please join me in thanking last year's president, Andrea Kewley, for the time and energy she devoted to her role as president last year. Andrea will continue on the Board this next year as our Meetings & Volunteer Coordinator. I would also like to thank the rest of our returning Board members, Don Clark, Brian Gates, Andrea Brady and Kevin Gile. And a warm welcome to our new Board members, Danyelle McClellan, Kara Van Horn and Ken Nollsch.

We are always open to recommendations and feedback from our members. If you have any suggestions or would like to find out additional ways in which you can volunteer, do not hesitate to contact me at Lauren.Davis@nglep.com.

I look forward to this new season and serving as COPAS-Colorado President.

Lauren Davis

2019-2020 COPAS-Colorado President

COPAS-Colorado Websites Tips and Tricks

How do I create a COPAS-Colorado account?

1. Navigate to <https://copascolorado.org/Account/Create>
2. Enter your Email and Password
3. When prompted, enter additional information (e.g. name, address, company, etc.)

I created my account, why can't I register for a luncheon?

Once you have registered for the website, you should not need to perform those steps again. However, you DO need to reactivate your account every year. In order to do this,

1. Log onto the website
2. Select Member Term Registration from the Account toolbox on the right side of your screen
3. Select the current term from the dropdown menu
4. Complete the Membership Registration form, including your membership type and committees you are interested in attending
5. Upon successful registration through our website, you will receive an automatically-generated email confirming your registration. This email will come from noreply@copascolorado.org. An example of the email confirmation content is shown below.

How do I register for a luncheon?

1. Log onto the website
2. Select Member Event Registration from the Account toolbox on the right side of your screen
3. On the Event Registration screen, you will see a drop-down menu in which you will select the 2018-2019 COPAS membership term.
4. Another drop-down menu will appear to select the event you are registering for.
 - a. This will then allow you to register for the luncheon. A few reminders when registering:
 - b. Be sure to check the box to indicate you will be attending the luncheon
 - c. If you are bringing a guest with you who is not a COPAS member, please indicate how many guests you are bringing, as well as their name(s).
5. In the last box, please indicate any dietary limitations for you and/or your guest(s).
6. Click on 'Register for Event' at the bottom of the screen to complete your registration

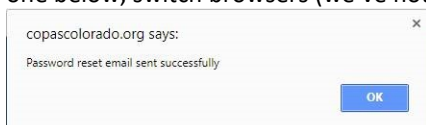

What if I can't attend the luncheon after I registered?

You now have the ability to cancel your luncheon registration up until the time registration closes. **Please ensure your cancellation request is completed prior to the registration close date for each monthly luncheon.**

1. Log onto the website
2. Select Member Event Registration from the Account toolbox on the right side of your screen
3. Select the current term and event
4. A drop-down menu will appear to select the event you wish to cancel.
5. Click on the button in the middle of the page that says 'Cancel Registration'

What if I can't log into the site after I've already set up an account?

1. Navigate to <https://copascolorado.org/>
2. In the upper right-hand area of the screen, click Member Login
3. Enter your Email and Password
4. If that does not work, click Forgot Password
5. Enter your email and click Send Recovery Email – You should receive a popup. If you don't receive a popup like the one below, switch browsers (we've noticed this issue primarily on internet explorer)

6. Once you receive your recovery password, copy the password (making sure you don't have any trailing spaces). Click the Recovery Link in the email.
7. Paste your recovery key (making sure you don't have any trailing spaces...you can always delete the last real character and retype it)
8. Enter a new password and hit Reset Password
9. You should be redirected to your account (logged in)

What if I STILL can't access my account?

You may need to reset your cookies. Instructions on how to accomplish this can be found at these sites:

- <https://kb.wisc.edu/helpdesk/page.php?id=12314>
- <https://support.google.com/accounts/answer/32050?co=GENIE.Platform%3DDesktop&hl=en>

If, after following each of these steps you are still having issues, please send an email with detailed description of the remaining issue to info@copascolorado.org.

What if I don't receive emails from the COPAS-Colorado website (e.g., password reset emails or confirmation emails)?

1. Ensure your IT department allows emails from noreply@copascolorado.org and info@copascolorado.org. Don't assume that just because you don't see an email in your SPAM or Junk email folders that it's not being blocked. Many IT departments can filter out emails before they even get to you SPAM. You will want to reach out to your service desk to have them verify the emails above are allowed.
2. If you don't receive an email with a payment link, please send an email to Ken Nollsch (KNollsch@opportune.com). He can send you a new payment email.
